## ARTICLE DETAILS

### **concept Design angle valve with regulation function STILE**

With concealed valve actuation. Per DIN 3227.

#### Scope of delivery

- Design angle valve
- Polished brass body
- Cover for actuation
- Push shaft
- Pull-proof brass cone compression fitting with length compensation
- Push rosette Ø 60 mm

#### Technical data

- Material: Brass, drinking water compliant
- Surface: chrome
- Connection: DN 15 G 1/2 male
- Outlet: Ø 10 mm (DN 10 G 3/8 male)
- Certificates: P-IX 212/IA, WRAS applied for, ACS
- Noise class: I
- Flow class: A

## PROPERTIES

### CHARACTERISTICS

|                                 |                        |
|---------------------------------|------------------------|
| Product group                   | Angle valve (EC011344) |
| Lockable                        | No                     |
| Shape                           | Right-angle            |
| Built-in                        | No                     |
| Closing mechanism               | Top part non-ceramic   |
| With cover rosette              | Yes                    |
| Operation                       | Handle                 |
| Supply connection               | External thread        |
| Supply connection size          | 1/2 inch               |
| Branching connection            | Union nut              |
| Branching connection dimensions | 3/8 inch               |
| Built-in stop valve design      | Built-in part          |
| Faucet material                 | Brass                  |
| Base color                      | Chrome                 |
| Extension set available         | No                     |
| Flow restrictor                 | No                     |
| With filter                     | No                     |
| Noise class per EN ISO 3822     | Group I, <= 20 dB(A)   |
| Volume flow class               | A                      |
| With pipe set                   | No                     |
| KIWA certification              | No                     |
| Type approval per BBR/EKS       | No                     |

### BATTERIES

|                  |    |
|------------------|----|
| Contains battery | No |
